By Supervisor Nelder: Letters to be sent to the California Historical Society and the California Heritage Council inquiring as to whether they are aware of any groups which could be included in the "Historic Group Advisory Committee" category and who meet the criteria of being in existence for 40 to 50 years in San Francisco and who are also significantly representative of San Francisco's history. By Supervisor Silver: Request the City Attorney to prepare the appropriate legislation both as an ordinance and as a charter amendment to cause that prices on residential units in buildings of converted condominium units of 500 or more be limited to the historical cost, (i.e.: the price paid for the units) less the depreciation claimed for federal tax purposes, plus cost-of-living increases for each year held. Letter to reflect that Supervisor Silver has no position on this matter. Copy of letter of inquiry and response from DPW to be sent to Archbishop Anthony and Mr. Victor Shikaloff.

By Supervisor Ward: Letter of inquiry to Emmett Condon, Fire Chief, San Francisco Fire Department to ascertain answers to the following questions:

- 1) How does the San Francisco Fire Department intend to score the physical examination for firefighters?
- 2) In the ladder beam lift event; wherein the 111 pound ladder is considered effective in determining the ability to lift a ladder in the line of duty, what is the necessity for an additional three lifts. Does the test determine brute strength or the potential to do the job of firefighter?
- 3) Have the Chief and Commission consulted other major cities which have women active in their Fire Departments? How did they test and score? Are the women performing well in the firefighting service?
- 4) Will the women who have taken the physical agility exam be scored along with men, or in a separate scoring to compare the skills of women, using the same criteria?

Copies of letter to be sent to members of the San Francisco Fire Commission, members of the San Francisco Civil Service Commission and to her Honor the Mayor.

By Supervisors Maher, Silver, Ward: Letter of inquiry be sent to the Executive Director of the Rent Stabilization Board, inquiring as to his opinion about whether the provisions of the Rent Ordinance are adequate to protect tenants from evictions and rent increases during the 1984 Democratic Convention. Also, to inquire whether the Director plans to conduct any pro-active activity to protect tenants in the immediate vicinity of the Convention Center or Hilton Hotel from evictions or illegal rent increases during the time of the Convention.
